

# Sternpiloten

Frankfurter Lerngruppen

STADT SCHULAMT  
FRANKFURT AM MAIN

## What are Sternpiloten?

There are Sternpiloten ("star pilots") at many primary schools in Frankfurt.

The groups consist of 5 to 7 children who play, learn and have fun together.

Children from different classes and year groups participate.

They meet 2 times a week for 2 hours in the afternoon, at your school.

Sternpiloten is a programme offered by Jugendhilfe (the youth welfare service) and is led by friendly adults.

Sternpiloten is free!

Wir sind glücklich  
wenn wir uns die  
Hände halten  
und laufen

Tell your teacher that you would like to be a Sternpilot.

Your teacher can suggest you as a Sternpilot.

Registration is valid for 2 years.

We can't wait to see you!

## We discover...

...and find out new things about ourselves and the world.

- ★ What we are good at
- ★ What we can do alone and what works better together
- ★ What we have in common and what makes us different
- ★ What the exciting places are in our part of town and in Frankfurt

## Together, we learn about...

...important things for us and for the group For example:

- ★ How to cope in school
- ★ How best to calm down and relax
